

TRADE APPROVED
QUALITY KITCHENS

2022

EVOKITCHEN
COLLECTION
BY LOHANNA

OUR DIFFERENCE

Proud to be built in Great Britain

- Cabinets built in the UK
- European engineered hinges
- Italian styled gloss doors
- 5 year guarantee on furniture
- Ready assembled cabinets available

BUILT TO LAST

Our team really understand kitchens. We appreciate your kitchen not only needs to look great, but to pass the trade test they need to be great quality and easy to install too. Our kitchens are loved by installers and customers alike.

I am a kitchen fitter, and I have now fitted a number of your kitchens and love your product. I've been in the trade for over 35 years and have therefore fitted most of your competitors products, and yours are the best

R Eaton

OUR KITCHENS

Our kitchens do not compromise on quality and value. Using the very best in manufacturing techniques, we are able to create a beautiful mix of colour, size and finish.

Our larders and appliance housings are available with optional complementary coloured sides, saving you money on cladding panels.

We offer soft close drawer boxes and hinges as standard, plus a choice of handles, so you can tailor your kitchen to your taste and budget.

Telescopic towel rail

Soft close pull out baskets

CABINETS

Features and benefits

Installers love our cabinets and we believe they're the best out there!

All panels are fully PVC edged to protect against moisture penetration

Adjustable service void offers flexibility when accommodating pipework 45-75mm

Concealed wall hanging bracket creates a clean look and offers a 15mm wiring void

Removable back panel in base units - a simple yet easy way to aid installation and service access

Robust adjustable legs protect against moisture ingress and is an easy way of making the cabinet level

All 18mm thick high density panels in base cabinet means no weak points - they're extra sturdy!

Minimum holes in side panels for a clean, high end appearance

330mm deep wall cabinets as standard give ample storage and will fit a 12 inch dinner plate

HINGES & DRAWERS

Our hinges are manufactured in Salice's state-of-the-art factory in Italy to the highest quality standards. Cabinets come with soft close hinges as standard.

Your kitchen will come with our quality, soft close Excel drawer box as standard, so you can be confident it will stand the test of time.

Eco Bin (30L)

1 x 20L, 1 x 10L

RANGECONTENT

BASE UNITS

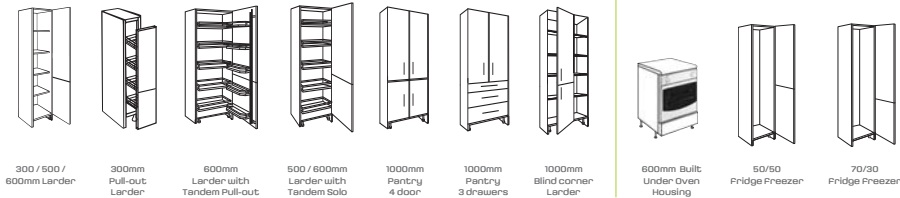

WALL UNITS

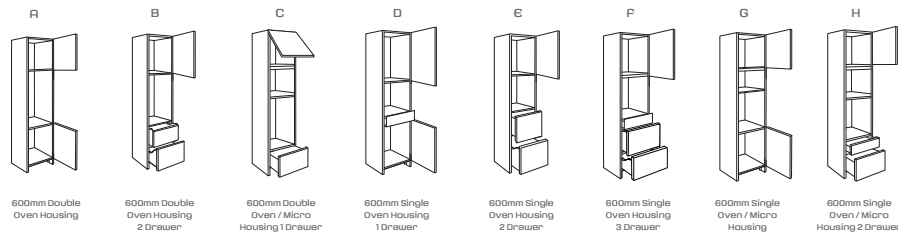

Wall replacement ends are available for our 720 x 330mm wall units.

LARDER UNITS

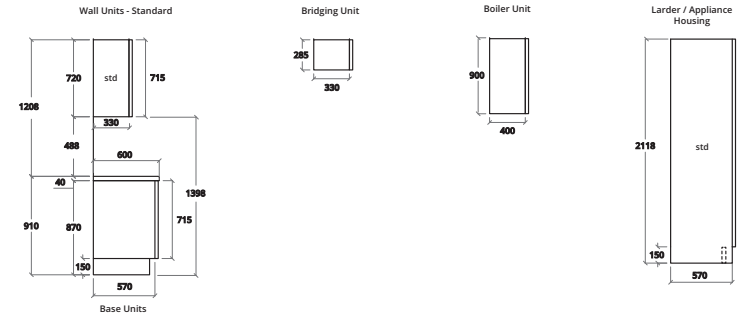

Larder units up to 600mm wide and our tall appliance housings are available with optional complementary coloured sides to co-ordinate with the doors. These are oversized at 2140mm so they can be scribed to the floor.

APPLIANCE HOUSINGS

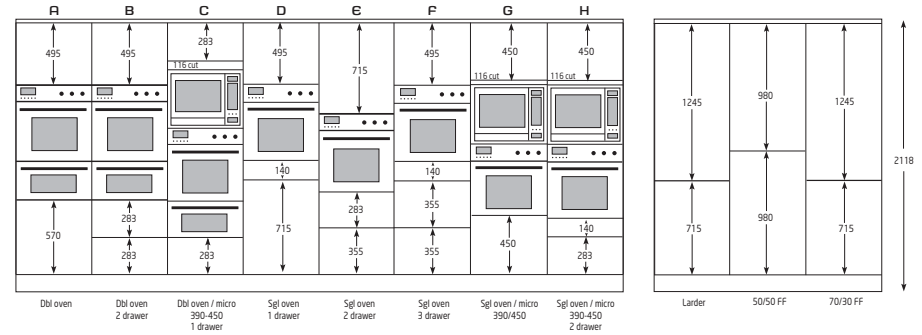

TECHNICAL SPECIFICATIONS

End Elevations - check appliance/larder height prior to setting wall unit height

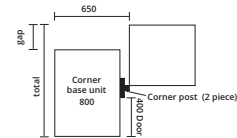

Note: our complementary larder / appliance housing side panels go to the floor and are oversized (2140mm) to allow scribing to the floor

Appliance housing / Larder / Fridge Freezer (FF) configurations

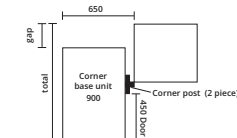

Corner Information

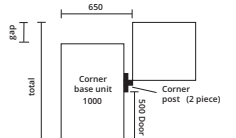

800mm Conventional Corner Base Unit

900mm Conventional Corner Base Unit

1000mm Conventional Corner Base Unit

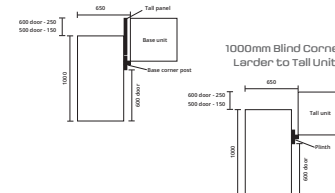

If using alternative door sizes the gap to the wall changes and centre post of cabinet would require refixing.
300mm door = 150mm gap (950mm total)
400mm door = 250mm gap (1050mm total)
450mm door = 300mm gap (1100mm total)

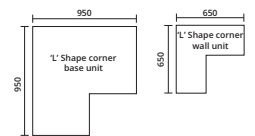

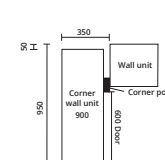

If using alternative door sizes the gap to the wall changes and centre post of cabinet would require refixing.
450mm door = 200mm gap (1100mm total)

If using alternative door sizes the gap to the wall changes and centre post of cabinet would require refixing.
500mm door = 150mm gap (1150mm total)
600mm door = 250mm gap (1250mm total)
